Aruba Colour

Aruba Colour offers the same sandy textured surface as Aruba, but with a choice of 34 colours. The use of colour opens up a world of possibilities – from enhancing wayfinding and zoning in large spaces to creating bespoke atmospheres that boost productivity.

zentia

Key Features

- Improved aesthetics with discreet perforations
- Enhanced acoustical absorption performance of 0.60 α_w for better acoustic comfort
- Mix and match modules for increased flexibility and a more complete project solution
- Easy to handle and re-engineered for a better fit
- Ideal for every space
- Combination of coloured tiles can be useful for wayfinding and zoning

We recommend ordering a full colour sample prior to specification and ordering. If you would like to order a sample or have any queries about this product please contact our Technical Sales Team on **0800 371 849** or email **enquiries@zentia.com**.

Please note that even though great care has been taken to ensure correct colour match, colours can only be as accurate as the printing process allows.

Every monitor or mobile display has a different capability to display colours, and every individual may see these colours differently.
